Recreation

Crossroads Recreation offers children through adults the opportunity to participate in sports in a safe, encouraging environment. We offer soccer, basketball and cheerleading, and baseball. We also host an annual 5K race and golf tournament benefiting local ministries.

Performing Arts Academy

We provide affordable lessons for students in 5th-12th grade to develop and grow skills in the performing arts. We offer instruction in guitar, drums, piano, vocals, and drama.

Little Pantry

The Little Pantry provides non-perishable food and hygiene items to anyone in need. Currently the Pantry serves walk-ups and is open all day at our Thomas Crossroads Campus.

ReNew Thrift Store

ReNew offers affordable clothing and home accessories while generating revenue for our ministry projects and investments. All proceeds are used to serve the people in our community.

CWP (Crossroads Weekday Preschool)

CWP is a faith-based preschool that provides a loving and safe environment for children ages six weeks to Pre-K4. CWP operates during the school calendar year.

Community Garden

By providing fresh, healthy vegetables and fruits to local food banks, we help meet the most basic needs in our community.

ACTS

Many people in our community are not physically able or cannot afford help with basic home repairs and yard work. Our ACTS team rolls up their sleeves and provides handyman services.

Community Investment

By making wise financial investments in other organizations, we help build a stronger community. Past contributions include two school playground funds, a school mural fund, and paying off the balance on student lunch accounts.

First Responders Ministry

Coweta County's first responders take great care of our community, and we want to do the same for them. Our ministry seeks to support our local Firefighters, Law Enforcement, EMTs, and Paramedics by offering prayer, encouragement, and care.

School Ministry

Coweta County teachers and staff have a major impact on the lives of children in our community. Our goal is to offer encouragement, support, and care for all school personnel on a regular basis.

Faith Riders

Faith Riders Biker Ministry attends and serves at outreach events throughout our community. Previous events include charity rides, Wounded Warrior events, and supporting I-58, a local food bank ministry.

Veterans & Military

This ministry supports and serves the spouses of deployed military personnel through prayer and connection. Support may include oil changes and assistance with other day-to-day needs.

Foster Care Support

Foster families are faced with multiple daily challenges. Foster Care Support comes alongside these families to help ease the day-to-day pressures. We provide a wide range of support including meals, laundry, and temporary respite.

Cancer Care Support

A cancer diagnosis is a devastating reality for so many families in our community. Our Cancer Care Support offers encouragement and practical assistance which allows families to focus on caring for their loved ones.

Truth in Nature

Crossroads is partnering with Truth in Nature, an organization created to make a difference in the lives of middle and high school boys by sharing Christ's love in his creation. Our mentors reach, inspire, support, and engage young men from fatherless and single parent homes in understanding their purpose as Christian men and helping break the fatherless cycle in society today.

Financial Assistance

Our Financial Assistance program coaches applicants through steps to create healthy spending habits. We aim to help families regain control of their finances allowing them to move forward to a more stable future.
